

# The MANLY MESSENGER

---

January 2019 edition

## **FROM THE EDITOR**

We have a short newsletter this month after the holiday season.

I draw to your attention the new fortnightly open pairs competition commencing at 6.30 p.m. on 10 January. The format is also new - 3 games of 8 ends, no dead ends, 3 bowls pairs. Tell all your friends from other clubs. This is a great opportunity for players who are still working to have a mid-week game. Bistro opens at 5.30 p.m.-plenty of time for a nice leisurely dinner beforehand.

## **CHAIRMAN'S REPORT**

Welcome to my Chairman's report for January

I hope you all had a wonderful Christmas and New Year, so it is back to the real world. Good to see our bowling numbers are still strong over the break which is a good sign for the year ahead. Keep updated with our notice boards and Facebook posts for all upcoming events as we will be continuing to bring new competitions to the club.

Congratulations to the Men's Committee for filling all their positions with the addition of Gary Watts and Greg Brazier who will compliment a good team. Our first hit out against Capalaba was a successful trial for the club

and even though beaten 9 rinks to 6 a couple of very close games would have seen a different result.

Membership is building nicely. Please welcome all new comers to the club. The Kitchen is now fully operational after a well-deserved break for our kitchen staff and Trivia has restarted on Thursday nights. Toni has organised a 3 bowl pairs competition fortnightly between our super singles comp.

Sorry to hear of the passing of Bronco Johnson who was a good member and volunteered a lot of his time. I'm sure many long established members of Manly will have fond memories and tales to tell of this respected member of the club.

Until next month

Great Friendship

Ian Reed

Chairman

## **MEN'S PRESIDENT REPORT**

The men's committee welcomed Greg Brazier who has taken control of the position of games Director. Greg will now control our upcoming games and Club Championships. Thanks to Ian Reed who filled in while the position was vacant.

Our committee is now complete and we look forward to making bowls an enjoyable experience for all our members and guests.

Frank Douglas has obtained 9 copies of *Rolled Gold (The Kelvin Kerkow story)* from Kelvin Kerkow for our members to read ,if you wish to borrow and read this book please contact Julian England to get your copy.

The committee has decided to follow up the online survey that members completed last year. Everyone's input is welcome.

I have listed our Club coaches online, so you can see and approach them for any assistance they can give to improve your enjoyment in Bowls.

The Club has decided to adopt the policy of protecting our greens from the damage of Dumping, so if you need advice or help please approach one of our coaches.

We are considering if it is advisable to post our Teams for weekly completion online. Your thoughts will be sought on the matter.

The Q7s completion starts on the 12th January, so the best to everyone and "Go the Marlins!"

The summer shield Squad will be completing trials later on this month, for start in early February.

The men's Division would like to thank the board for the wonderful week of Bowls from the 12th to the 15th December, showing all why we are the best club and are going places.

President
